

## About Noet

The Natura Outdoor Education Trust (NOET) is a not-for-profit organisation that uses the wilderness and adventure as tools to promote learning, development and ecological conservation.

The Trust is managed by few of the best minds in the fields of Learning Facilitation, Outdoor Education, Adventure Sports, Ecology and Conservation; along with Advertising stalwart and adventure enthusiast, Prahlad Kakkar as trustee.

Although young as an organisation, NOET aims at being a prominent force in the arenas of holistic education, personal development and conservation.
