## NOET's Summer Adventures '08

These holidays, on NOET's Summer Adventures, youngsters will have a chance to try Rock Climbing, instead of watching TV all summer; a chance to camp-out in the forest on their own, instead of playing endless computer games; a chance to make a bunch of new friends, instead of hangin' out with buddies as usual; and mainly, a chance to make a lifetime of great memories instead of doing the same ol' stuff all summer.

The Natura Outdoor Education Trust (NOET) presents MyWay! and On-the-Go Summer Camps – two programs packed with adventure, games, nature, friendship, fun and learning that's aimed at helping youngsters get a taste of adventure and discover their true potential, their unique strengths, their links with people and the world around them
